INTEGRATED SOLUTIONS

Eagle is not only a hydraulic cylinder manufacturer, our focus to be a value added manufacturer of quality hydraulic components and one stop solutions. We like to be flexible and keep an open mind, strengthening our product portfolio and our services to you, our client. By understanding your needs and opportunities, innovation in design and development of new products, we help each other.

This is what sets Eagle apart from the rest. Our integrated solutions offer a cost effective way to reduce labour and increase the efficiency of your assembly. Assembled from high quality components, the Eagle designed power unit, integrated with the toolbox assembly and accessories is a perfect match when mated with an Eagle hydraulic cylinder.
